

CONNECTICUT FIELD HOCKEY CAMP

2018 Directions, Parking, Travel UPDATE 7/2/18

Important Information: Campus Construction/Road Construction

There will be a significant amount of construction in and around the Storrs campus during the summer period. For this reason, we ask that you allow more than enough time for your arrival because you may be delayed getting to your campus destination on the day of your camp. We are sorry about this inconvenience.

North Eagleville Road will be impacted again this summer as it was last and the biggest area that will impact your families coming onto campus will be the closure of Hillside Road from Gilbert Road down to the Student Union as well as Calhoun Way closures. If you haven't already please visit the construction website at: www.construction.uconn.edu for the most up to date information. Please note there will be pedestrian traffic on Hillside, just not vehicle.
